FREIGHTING INFORMATION

For Smart Cylinders

Below is a list of information required for freighting of Smart Cylinders

1. Delivery address
2. Name of contact person for delivery
3. Phone number of contact person (prefer mobile number)
4. Is the delivery to a business address?
5. Does the cylinder need to be taken up a flight of stairs? Extra charge (a few steps does not matter)
6. Are there any access issues? Dogs, etc

Note: When cylinder is delivered you have 15 minutes to check for damage before signing off.
